

DKM is one of the longest-established economic consultancy firms in Ireland. For the past three decades DKM has been providing advice and research to public and private sector clients, mainly in the fields of Project Appraisal, Health, Construction & Housing, Transport, Energy, the Environment, Regional Development, and Demographics. To enable us to continue servicing our expanding client base, DKM now has a requirement for:

Senior Economist/Consultant

The successful candidate(s) will have at least five years experience as an economic consultant in Ireland or overseas. Candidates with equivalent public sector experience are also welcome. They will have a proven track record in undertaking an advisory or analytical role on major projects. They should have the capacity to contribute to expanding the firm's client base. Candidates with expertise in Competition and Regulation, Finance, Energy, Labour Markets or Education will be especially welcome. International experience and econometrics capability will be an advantage. Salary and package negotiable.

Economic Consultant/Econometrician

The successful candidate(s) will hold an honours economics degree at post-graduate level, with strong quantitative and communication skills, and the ability to work on their own initiative and as part of a project team as required. Candidates with expertise in Competition and Regulation, Health, Energy, Transport or Urban Economics will be especially welcome. Econometrics capability will be a strong advantage, as will consultancy experience. Salary and package negotiable.

Applications by 26th February 2010 to: DKM ECONOMIC CONSULTANTS, 6 Grand Canal Wharf, South Dock Road, Ringsend, Dublin 4, Ireland. **Or by email to:** info@dkm.ie
